Walter Hagen, five-time PGA Champion, was the club's first head professional. The South Course has played host to 17 Major Championships and scheduled to host 8 in the coming decades including, the U.S. Junior Amateur in 2024. Some of the greatest players ever to play the game, including Arnold Palmer, Jack Nicklaus, Gary Player, and Ben Hogan have competed and won on the famed South Course, also known as, "The Monster". The membership is proud of the heritage of their club and consider themselves stewards of a national golf treasure.

GOLF COURSES

Oakland Hills Country Club is home to two Donald Ross designed golf courses, the "North Course" and "South Course." Both courses feature rolling terrain dotted with landmark trees. Our recently restored South Course has hosted numerous acclaimed tournaments including the U.S. Open, Ryder Cup, and PGA Championship. Most South Course rounds are walking with the assistance of a caddie. Our North Course, located on the north side of Maple Road, is a shorter yet accuracy demanding layout featuring numerous mature trees and challenging bunkers. The North Course sees a balanced mix of walking and cart use with the assistance of a caddie.
